- 18 1989 Volkswagen Golf GTi, 3 door hatchback, 1.8 litre, 5 speed manual, Reg. G465 WRW, finished in Helios Blue, with grey cloth interior, MOT until September 2022. This 35,000 mile GTi has been in the same ownership from new, with the older style V5 showing 2 keepers (company and one lady owner since 1991), dry stored for over a decade the car has recently been re-MOT'd, supplied with history file dating back to 1995, (varyifying the mileage). The car appears to be a remarkably solid, rust free and unmolested example, which would now benefit from some cosmetic improvement in order to bring it to the next level. A rare chance to a acquire a low mileage and low owner example of VW's iconic 1980's hot hatch. (Subject to 12% buyers premium inclusive of VAT) **£5,000-7,000**
- 19 1947 Rolls-Royce Silver Wraith Sedanca de Ville by H.J.Mulliner, Chassis WTA49, Registration JGW916 (to be applied for) - one of only thirteen built with this body style. This rare and elegant coachbuilt Rolls-Royce is in very sound original condition having been in long term ownership for over 50 years. It has recently been re-commissioned by the well known Rolls-Royce specialist Harvey Wash Ltd with invoices totalling in excess of £7,500. It has black coachwork which is mostly original, showing its age in places but has a wonderful lustrous shine. The Sedanca roof mechanism has been sealed shut but all the catches and fittings appear to be present and hopefully could be put back into working order. The interior seats are leather to the front with original fitted cloth covers and West of England cloth to the rear. It has an electric division, folding picnic tables, jump seats and the original central H.M.V radio. All the chrome work including the splendid Lucas P100R headlamps are in good order and overall the car has a wonderful presence and patina one only finds with original, un-restored cars. Following its extensive mechanical re-commissioning we are informed it is driving well and has been MOT'd. It still carries its original number plate which will need to be re-applied for with the DVLA, but is supplied with an old style logbook and other supporting evidence which will help to support the application. It also has its original key and main tools including the jack. A rare classic Rolls with great potential and charm which is now driving nicely and ready for the motoring season. **£23,000-25,000**
